

How do I install Zoom?

You can install Zoom by getting the **Zoom Cloud Meetings** app from the App Store.

This is what the Zoom app looks like.

To do this:

1. While using your device, you can [tap this link here](#) to go to the App Store. (Or you can open the App Store and search for 'Zoom Cloud Meetings'.)

This is what the App Store icon looks like.

2. Tap the 'Get' button and follow any instructions.

3. Look for the Zoom app on your device.
