

# Referee Report

QDeNgage participants are people with a diverse range of lived experiences of disability who are available to share their experiences and specialist knowledge. They may be asked to provide feedback, advice, information and input from the perspective of people with disability. This may involve working with government bodies, businesses and community organisations

The purpose of this referee report is to provide details of your understanding and experience of the applicant's skills, attributes and personal experience.

## Section below to be completed by the Referee
