

NEED TO LEARN THE SKILLS TO ACCESS INFORMATION ONLINE DURING A DISASTER? OUR DIGITAL INCLUSION PROGRAM CAN HELP!

These workshops are for people with disability to:

- learn essential digital skills,
- get facts and information in times of emergency,
- have access to essential goods, services and support like food, medicine, healthcare, support
- stay connected to family, friends and workers.

Being online is really important during emergencies and disasters. We will be running workshops on a Wednesday so bring your phone, tablet or laptop with a full battery and any additional support you need!
