Homeless Hotline is a phone information and referral service for people who are experiencing homelessness or are at risk of homelessness.

Homeless Hotline helps single people aged over 16, mothers with children, fathers with children, families Couples, those experiencing homelessness or at risk of homelessness.

When you call, we will provide information about where you can find support, accommodation, meals, or showers. In some cases, you may be referred to other services to help you further.

To provide you with the right information, they will need to ask for your:

Name, date of birth, gender, location.
